GORDON DISTRICT CRICKET CLUB CHARITY GOLF DAY AND DINNER

AVONDALE GOLF CLUB WEDNESDAY MAY 22, 2019

The ninth Gordon District Cricket Club Charity Golf Day and Dinner has a new venue this year with the reconstruction of the Killara Golf Club and will be held at Avondale Golf Club. The day will include lunch, golf, dinner, drinks and an auction.

Over four years, online followers of the game enjoyed a humorous yet often telling insight into the mind of an Australian cricketer through the [@gradecricketer](#) Twitter account. Its authors had remained anonymous, until they released their first book in February 2016 followed by a second book and now a regular podcast on 7CricketAU. The Grade Cricketers are none other than our own **Ian Higgins, as well as Dave Edwards and Sam Perry** who have become famous talking about their persona, grade cricket down under and the Australian cricket mindset.

GORDON DISTRICT CRICKET CLUB

The Gordon District Cricket Club is one of Sydney's oldest cricket clubs, and has participated in Sydney's premier grade cricket competition since 1905 as well as the Poidevin Gray (Under 21) and A.W. Green Shield (Under 16) competitions.

Throughout this time, the club has enjoyed much success including a long list of representative players - with 19 Australian Test representatives and 37 NSW players. Amongst these are some of the greatest names in Australian cricket - Charlie McCartney, Victor Trumper, Bert Oldfield, Neil Harvey and Brian Taber. Gordon's record of producing first class cricketers has continued throughout more recent eras - names like Adam Gilchrist, Phil Emery and Matthew Nicholson all began their grade cricket careers at Gordon.

Our junior club, the Gordon District Junior Club, has been in operation for 63 years and is part of our affiliated junior association the North Shore Junior Cricket Association which is one of the largest junior associations in Sydney.

The junior club has 32 teams and over 350 players registered as well as 100 in our In2cricket program for 5 to 7 year olds.

Our women's club the Gordon Women's District Cricket Club, which was formed in 1982, plays in the Sydney Cricket Association's Women's Competition (SCAWC) with a team competing in each grade - 1st, 2nd, 3rd grade and in the Under 17 Brewer Shield. We also support a junior structure and field teams in the Northern Sydney Girls Cricket Association (NSGCA) competition, providing girls with a clear pathway to develop their game.

The Gordon District Cricket Club is a sporting organisation which aims to promote, foster, and encourage the playing of cricket in the true spirit of sportsmanship. We strive to develop and nurture players to achieve their full potential by providing good coaching and playing facilities and at the same time creating an environment where players enjoy themselves, both on and off the field.
